## ***Pastoral Reflections***

The Reverend David F. Peters, Minister

I was recently reminded of a conversation a friend had with his son a number of years ago. His son comes into the kitchen and threw the car keys on the counter. My friend asked him, “How long has the light been on in the car dash?” “Oh, for a while,” he replied. My friend then related that he had one of those “circle of life moments.” He heard coming out of his mouth, the involuntary words of his departed father.” He went on to give a presentation of the purpose of these lights and what one should do when they saw them come on. It reminded him of a lecture that he received many years before. It said he ended it with the statement “that those lights are there for a reason. Pay attention!” He hoped that there was no damage to the car so he wouldn’t have to pay an arm and a leg to repair it.

I began to think that my friend probably was taken aback by this and that he could conceive of the day when this son would give the same lecture to their child. A circle of life if you will.

There is nothing new under the sun for the bodily vehicles that we use while we travel here on earth. And if we are honest, we too ignore the warnings and alarms within us all the time. Physical fatigue comes, and instead of slowing down, cutting back, or God forbid, taking a nap, we down another cup of coffee or an energy drink hoping to buy just enough of an artificial turbo boost to push us back into our routine for a little while longer. Or we feel a sustained anxiousness living within us, and rather than attending to it by pausing to breathe, or seeing a counselor, or practicing mindful meditation, we double down, betting on a slot machine refreshing our social media feed to suddenly raise our emotional reserves and temporarily out of our prolonged funk. Or perhaps our partner points out our emotional unavailability and we grow defensive or rationalize away their assessment in an attempt to avoid admitting that we been sedated by a daily toxic cocktail of bad news, outrage, and cultivated worry.

As we go about our lives, living as compassionate Christian persons, we might want to be constantly mindful and sensitive to: the wounds of the world and the wounds we sustain attending to them. They are very good and noticing the first, not so much so the second.

The Buddhist monk Thih Nhat Hanh writes, “We do so much, we run so quickly, the situation is difficult, and many people say, ‘Don’t just sit there, do something.’ But doing more things may make the situation worse. So, you should say, ‘Don’t just do something, sit there.’ Sit there, stop, be yourself first, and begin from there.”

As I have been preaching about, we live in confusing times with a lot of news and worry coming at us. It is in these days that we need to pay attention to the “warning lights” and give ourselves permission to stop and take Faith Matters – April 2024

care of it. I feel that is one of the roles of the church in these days... to help us look for those warnings and encourage us to pay attention.

Grace and Peace, *David*

## An Update from your Board of Trustees

At their February meeting, the Trustees elected Brian Neff as the Chair of the Board. Among other topics covered, Ann update on the remediation following the flooding this past year. A proposal from an agency of the US Department of Agriculture is having the Roxbury Brook dredged and new rock put in. It also calls for the brook to be widen on the north side. While there are some issues raised by the Roxbury Board of Selectmen and our Trustees, the Trustees have decided to hold off with bridge replacement behind the church until we have more information. The Trustees also approved the purchase of a new iMac computer to replace the out of date one used for Zoom and Facebook Live on Sundays. They also approved the investing of some of the Memorial Funds into a CD with Union Savings Bank to generate more interest than a passbook account.

## Men's Group Breakfast

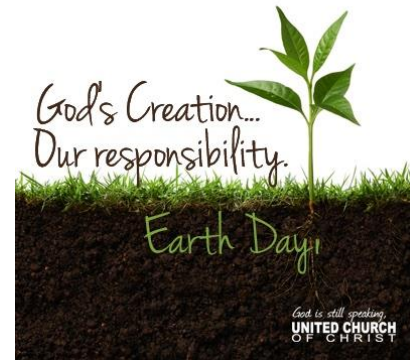

To Meet in a different place for April

## MEN'S GROUP

The Men's Group Breakfast, is open to all men of the congregation and community, as invited to join them on Saturday, April 13 at 8:00 a.m.

If you need more information, contact Charlie Stauffacher or Charlie Meade.

## Earth Day Roadside Cleanup April 20 9a.m. – 12 noon

Our church, and the town of Roxbury, is sponsoring a town-wide road cleanup on Saturday, April 20, to honor Earth Day. We will be handing out plastic garbage bags, vests, and plastic gloves at the Transfer Station between 9:00 a.m. and 12:00 a.m. Folks can pick up trash on a road of their choice. They can bring it to the Transfer Station whenever it works for them to do so.

There are some roads that are particularly needy of this clean up, one of them being Wellers Bridge Road. It is a tricky one so be careful. It is better if it is done by more than one person.

If you will not be at the Transfer Station between the designated times, just ask Sue Stauffacher for bags and gloves and she will give them to you at a mutually-convenient time.

If you would like to help distribute bags and gloves between 9:00 a.m. and 12:00 p.m. on Saturday, please let Sue know. It helps to have more than one person doing it.

You may call Sue at 860-354-1274, anytime before 7:00 p.m. to volunteer or with questions.

## ***New Books in the Library - April 2024***

Looking for an inspirational story? Need a prayer to lift your spirits? The church library has lots of needs! Stop by the library and check one out today. Just sign your name on the card in the back of the book and leave it in the box.

Here are some books that were recently added to the collection:

The *New York Times* bestseller, “The In-Between” was recently donated to the church library by Sue Stauffacher. ## ***Corned Beef Dinner Results***

St. Patrick’s Day saw a happy stream of customers pulling up in front of the church to pick up their corned beef dinners. The dinners, which were supplied by the Northville Market included corned beef, cabbage, carrots, potatoes, Irish soda bread, and shamrock cookies baked by Susan Zappulla-Peters. 149 meals were sold with an end-profit to the church of \$861. Many thanks to co-chairs Chris and Jeanne Steers. Helpers of the day included David Peters, Susan Zappulla-Peters, Norm Cover, Patty Metzger, Vail Barrett, and Mike Wilcox. A big thank you to Susan Zappulla-Peters for baking the cookies, and to Northville Store for cooking the corned beef.

We look forward to another sale next St. Patrick’s Day!

## ***Helpers Needed to set up and serve a luncheon for Clergy***

Thursday, April 25th, our Church is hosting 25 clergy from across the Litchfield South Association as it has a session of Clergy Boundary Training.

This class on clergy ethics is required of all clergy every 5 years.

It will begin at 9 am and go until early afternoon.

I am looking for a couple of people (2-3) to help in the following ways that day:

1. Set up a coffee/ tea bar for their arrival with small snacks
2. Set up a table for sandwiches, salad, and chips as well as drinks.
3. One person will need to pick up the pre-ordered sandwiches at The PO on the Green in Washington.
4. Clean up afterward.

If you are willing to help out, please speak with Rev. Peters.

This is a great opportunity to have Roxbury Church **SHINE!**

*Thomas Canfield Society  
Ensuring a solid financial future  
For Roxbury Church*

Three years ago, to celebrate and honor those who chose to remember the Roxbury Church in their estates, the Church is establishing the Thomas Canfield Society. The Society is named after Rev. Thomas Canfield, the first minister of the Roxbury Congregational Church from 1743-1795.

**Your gift can create a lasting legacy.**

For over 200 years people like you have been making bequests and life-income gifts that have helped generations of church people share God's love with the Roxbury community and the wider world. Perhaps this congregation has made a difference in your life, provided important support and comfort to a neighbor or friend, or inspiration that led you to change your life. If so, we encourage you to remember the Church in your will.

The Members of the Society include:

Emma Schmidli  
Mabel Bernhardt Smith  
Ruth Johnson  
Gertrude E. Caveness  
Clark Makinson  
Marian Skedgell  
Mary Elizabeth Peck  
Elizabeth "Betty" Blyn  
Susan Stauffacher  
Robert Curtis

Now you can honor that gift with one of your own. Through your charitable financial plans including the church, you can make a difference in the future of the church. With that planned gift, you can become a member of the Thomas Canfield Society. Note: if you wish to not have your name included in the society, while living or deceased, that will be honored.

**Conserving the Church's Precious  
Energy  
and Financial Resources**

Trustees along with the Church Staff have worked hard to put in place measures to conserve energy and financial resources here at the Church and the Parsonage.

One way that you can help is the handling of the Thermostats in Fellowship Hall. The Thermostats (2) that control the heat in the Hall have preset time zones for heating. These settings roughly correspond to the activities that occur here. If you adjust the thermostat to a different setting and then press the HOLD button.

The new temperature stays at that setting until the RUN (Schedule) button is pressed. (constantly night and day)

On a recent Sunday, the heat was turned up and the HOLD button was pressed. Normally the staff or the last person in the building does not check the thermostats assuming that the schedule would return the heat setting to a normal lower setting when no one is using the building.

It wasn't until later, by chance, that someone entered the building and noted the warm Hall. It was only then that it was discovered that someone turned the heat up and pressed HOLD.

**This could have been wasteful and financially expensive because no one was scheduled to be in the building until late Tuesday afternoon.**

Moral of the Story: If you turn up the heat, you normally do not have to press HOLD unless it is for a longer than normal time.

If you do - please be responsible for pushing the RUN button when you leave. Thanks!

## Easy Ways You Can Support Roxbury Church

### **The Cash 4 Causes Card Program is easy, safe, and makes an impact!**

Susan Zappulla-Peters 860-355-8830  
( [zappullapeters@mac.com](mailto:zappullapeters@mac.com) ) coordinates and places the orders for these gift cards/

It is hoped that you would consider getting in the habit, like some, to purchase your cards every month

We would like to have the second Sunday of each Month be Card Ordering Sunday. We would like to have a set day so it is easy to remember to order and easy for the processing... Next Date: April 14h

The concept is simple.

- You buy the card at the face value (ex. \$100) and we purchase a cash card from the store.
- They charge approx. 5% less and the church keeps the difference.
- You spend the same amount, but by using the card, your Church gets a 5% benefit!!

We work primarily with Stop & Shop, Big Y, and Shop Rite cards

Contact Susan directly or speak with her on Sundays after worship. She will try to have a few cards for the different stores with her.

### **Recycling Printer Cartridges**

Drop off your used ink and toner cartridges at Church and we recycle them at Staples for store

credit. Use the box in Fellowship Hall or the closet across from the Men's bathroom.

### **LaBonne's Receipts**

A continuing thank you to everyone who contributes LaBonne's receipts to the church. This has been an ongoing source of revenue to add to our mission funds. Please save your receipts and place them in the wooden box on the table in Fellowship Hall. Questions to Sue Stauffacher at 860-354-1274.
