Welcome to the website of Roxbury Congregational Church, United Church of Christ!

Here you will find lots of information about us. You can check out our calendar for upcoming events and learn a bit about the values, mission and vision that drive our ministry. But nothing can substitute for getting up close and personal, getting to know us, by spending time with us. I hope you will do that soon. What I can tell you as the pastor of this progressive Christian faith community is that we believe, we really do, that God is still speaking! And what's more, we hold to a set of values by which you can chart your life's course, too

We believe in and respond to God's continuing testament in the world. - offer an extravagant welcome in the name of Jesus Christ, no matter who you are or where you may be on life's journey. -are a place where Christ changes lives – individuals, communities, and the world. This is what this congregation of the United Church of Christ is known for – and stands for.

I hope you will join us as we seek to spread the good news of changed lives for the better. We're not perfect, far from it, but at our best, we demonstrate that Christian minds are not closed, but open to new learning; that church can be a place of inclusion so that none of God's children feels the danger and pain of exclusion; and that everyone can more fully experience God's great abundance of love, grace, and power.
